Index

aminoaciduries 14-17
amniocentesis 17-20, 32, 54, 55
antimicrobial therapy
  hazards to mother, fetus 21-23
Apgar scoring method 48, 49
autosomes 9
Barr body 9, 11
biochemical abnormalities 13-17
biopsy in breast lesions 79, 80
biopsy of cervix 73
birth certificate 61-63
breast feeding 42-43, 44, 66-68
breasts, care of, in puerperium 42-44
cancer
  chemotherapy in 89-92
  of breast, diagnosis 78-83
  of cervix, diagnosis 71-76
  radiation in 84-89
  surgery in 76-78, 84
chemotherapy 89-92
chromosomes
  abnormalities 9-13
  groups 9
congenital defects 10, 18
cytology, exfoliative 71, 72, 73, 74, 75
diagnosis of pregnancy
  by ultrasound 26, 27
D trisomy 12
Down's syndrome 11, 12
emotional disturbances related
  to pregnancy 39-41
emotional responses
  to radiotherapy 87-89
erythroblastosis 19, 20, 21
estriol levels 18, 19
feeding
  breast 42-43, 44, 66-68
  of solids to newborns 68-71
fetal death certificate 62-65
fetal deaths, inadequate reporting of .. 64-65
gonadal defects 10
hypnosis in obstetrics 28
intrauterine transfusion 55, 56
15 trisomy 12
Klinefelter syndrome 10, 11
labor
  evaluation of status,
    by vaginal and rectal
    examination 37-38
  induction of 31-34
  patterns, study of,
    for management 34-36
lactation, inhibition of 43-44
mammography 81, 82-83
mastectomy 80, 81
mental retardation
  associated metabolic disorders 13-17
mosaicism 10
newborn
  recovery-room care 51-54
  resuscitation of 48-50
  6-hour feeding schedule 68-71
oxytocin administration 31-32
pelvic malignancies,
  chemotherapy in 89-92
perineal care 44-45
PKU screening 16, 57-59
placenta, localization of 26
placental insufficiency 18
polyhydramnios 18, 21
prematures, feeding of 69
puerperium
  breast care in 42-44
  emotional disturbances in 39-41
radiation in treatment of
  gynecologic malignancy 84-87
radiotherapy, emotional response to ... 87-89
recovery room for newborn 51
rectal examinations 37, 38
resuscitation of newborn 48-50
Rh disease
  immunoglobulin 56
  isoimmunization 19, 20
  management of 54-57
screening
  for metabolic disorders 16, 17
  for PKU 16, 57-59
sex chromosomes 9, 10
sterilization, voluntary 46-47
sulfonamides, effect on
  fetus 21, 22
surgery for gynecologic malignancy ... 76-78
surgery for sterilization 47
terminology, obstetric,
  standardization of 60-66
tetracyclines, effect on
  fetus 23, 24
translocation 11, 12
Turner's syndrome 10
ultrasonic scanning 24-27
vaginal examinations 37-38
vital statistics, reporting 60-66
